

About You, I've Been Thinkin'

I wonder if you wonder about me
do you think of me anymore
the clock won't stop
another day is gone
I won't see you anymore

but I've been thinkin' about you again
wondering how you've been
where are you now my friend
I've been thinkin' about you all day
your face never goes away
where are you now sweet lady

I see you now like you used to be
do you think of me that way
time's so restless another year is gone
I'd love to wake to you and say

but I've been thinkin' about you my friend
and I hope we never end
with you there's no pretend
I'll be thinkin' about you all day
'cause this bed is where I'll stay
let's don't bother to see the light of day

but I'm not with you
and I won't be soon
but I've been thinkin' about you
yea, I've been thinkin' about you

I've been thinkin' about you again
wondering how you've been
where are you now my friend
I've been thinkin' about you all day
your face never goes away
where are you now sweet lady

I've been thinkin' about you
I've been thinkin' about you
I've been thinkin' about you
